A NOTE FROM THE STUDIO

Gathering, Gratitude & Golden Blooms

Dear friends,

November is our favorite reminder to slow down and say thank you. This year, OLIVE GRACE grew from a kitchen-table hobby into something our whole family pours love into — and that's because of you, our neighbors, who shared our bouquets one doorstep at a time.

This month the studio is filled with rich autumn tones: burgundy dahlias, copper roses, and the last of the season's sunflowers. We're also designing Thanksgiving centerpieces made to be the heart of your table.

Thank you for letting us be a small part of your celebrations. We can't wait to create something beautiful for you.

With gratitude, the OLIVE GRACE Family

FLOWER CARE TIP

Keep Your Centerpiece Fresh Through the Holiday

- 1 Top up the water daily — wide centerpiece vessels evaporate fast.
- 2 Keep it away from the oven, radiators, and the fruit bowl.
- 3 Re-trim stems at an angle every 2–3 days.
- 4 Move it somewhere cool overnight to add days of life.
